**WAIVER FOR BUILDING, PLUMBING, HVAC AND ELECTRICAL WORK
BY OWNER
FOR BUILDING PERMITS FOR RESIDENTIAL PROPERTY ONLY**

The City of Harvey allows a homeowner to build and install systems in their own homes that they currently occupy that comply with the current codes. However, if an inspection reveals that the code(s) have not been complied with by the homeowner, the home owner will be required to **HIRE a LICENSED** electrician, plumber, general contractor, roofer or HVAC contractor. The homeowner agrees that these licensed contractors will not alter any installations that are not up to code, but shall also complete the remaining work to be done. The homeowner shall indemnify and save harmless the City of Harvey, Illinois from all accidents and damages.

Pursuant to Illinois State Plumbing Licensing Law (225 ILCS 320/3(2)) (from Ch. 111, par. 1103) any person who takes out a plumbing permit as owner occupant needs to reside in the residence for a minimum of 6 months after the final approval for the permit to remain valid.

Any Additional Inspections will require additional fees.
