Alderman Key said that a resident had his car towed from an antique shop on 163<sup>rd</sup> and Lathrop. He went on to say that the resident doesn't know what to do because he gave them all the information they needed, and he still cannot get his car back.

Mayor Clark stated that this matter is under investigation and that they will not give any comments. He commented that they can go to the Harvey Police Department with their driver's license and telephone number and then they would be contacted when the matter is settled, and the investigation resolved.

Alderman Key said that had been done and they still haven't been able to get their car.

Mayor answered that all they could do is wait and he could not comment anymore.

Alderman Tolbert asked Legal Counsel what the Mayors police powers were.

Mayor Clark told Alderman Tolbert that he needed to submit questions in writing to Legal Counsel so that Counsel could give him the proper answer in writing.

Alderman Tolbert commented that it was sad that the treasurer had to be escorted out of the building.

He asked Counsel Keri-Lyn Krafthefer when they were going to open to the public.

Counsel said that the Governors had issued executive orders that are still in effect and that he allowed local officials to determine if they wanted to open to the public.

Mayor Clark stated that the Governor just issued a state of emergency for Monkey Pox.
