Discussion and Review of FY'23 Annual Budget Proposal

Comptroller, Louis Williams, stated that the City is refinancing the 2002 and 2007 bonds. He explained that the reason for this is to extend the time period for those bonds to be reissued so that our real estate taxes will not be raised.

Comptroller mentioned that he is presenting a realistic balanced budget for the first time in a long time. This budget reflects realistically where the City is at and where it can go. He asked the Council to look at the budget they had in front of them.
